Partner brief

For publishers, hosts, and creators preparing a feature or proposing work with Omni Writes.

Company introduction

Omni Writes helps solo founders and creators plan, write, and schedule social posts in their own voice.

Build your placement

Newsletter or article	Use the short introduction, the full logo, and a product link. When describing a feature, pick the screenshot that shows the specific action.
Podcast or video	For a confirmed paid placement, identify the sponsor in the segment. Use the read below or show the captioned 15-second product walkthrough.
Co-branded event	Use the original logos at comparable visual weight. Leave half the Omni circle's diameter clear. Use the relationship wording agreed for the event.

Sample read for a confirmed sponsorship

This segment is sponsored by Omni Writes. If you have a post sitting in your notes, you can bring it into Omni Writes, shape the draft using your own writing samples, and schedule it when it sounds like you. Find Omni Writes at omniwrites.com.

What to send

Include your channel, audience, proposed deliverables, dates, where the work will run, and any budget or usage terms you want to discuss.
